Signs for Hope

Resurrection Sunday! The single most important day on the Christian calendar for introspection and for celebration is fast approaching. Holy week events leading up to that day are numerous! The Last Supper! The great wrestling of our Messiah in the Garden of Gethsemane! The passion of our Christ! "It is finished!" The earthquake! Graves opened and believer's bodies resurrected! The veil in the temple torn from top to bottom! "The empty tomb! Our God's wrath satisfied! I am so ashamed! I am so deeply loved! I am so humbled!

I AM FORGIVEN! AND SO ARE YOU!

Well, many people say they cannot keep up with what Signs for Hope is doing and I have to admit, sometimes neither can I. I am so thankful my weaknesses cannot detour my LORD from His plan for all He desires to accomplish, but be assured the Enemy is delighted when he can distract me into thinking they can…at least for a time. Seeking His face, continually, is my part. I once wrote a blog post about the difference between seeking His face and seeking His hand. Seeking His face, I believe, is seeking His pleasure, while seeking His hand is seeking what He can give me for my pleasure. I pray someday the only thing I seek will be His face, as His pleasure alone will become my only pleasure.

Vietnam…Here We Come!

A team of three, me, Vandora Henderson and Jana Lechner will be traveling to Vietnam for our 2016 adventure trip! This trip came up quickly, in my opinion, however God had it planned long ago. Learning more about our partners in Vietnam and their work with the Deaf children and their families there is so anticipated! And I cannot wait to be with our Orphan Voice brothers and sisters, again!! Prayers for God to give us what we need, to accomplish all He has planned are greatly appreciated! We depart early Wednesday morning, March 23rd and are scheduled to return Sunday, April 3rd. Yes, we will celebrate the resurrection of our LORD in Vietnam!

SFH ASL-IMMERSION FAMILY RETREAT 2016

Excitement is building!! SFH's first-ever ASL-Immersion Family Retreat will jumpstart our summer months, June 2 - 5. So excited to watch God unfold who He has planned to join us for this event. Registration is open and families are signing up. Volunteers are contacting me. The need for Deaf short-term missionaries to help provide that desired ASL-rich environment for these families and their Deaf children will be shared soon. Please ask God to provide all the needed volunteers and the funds necessary for this ONLY GOD weekend of learning, sharing, renewal and FUN!! If you would like to sponsor one of these precious families committed to learning ASL or one of our Deaf missionary staff, please contact me as soon as possible! Or DONATE securely online.

If you would like to volunteer at this year's family retreat, contact me as soon as possible, too!

Our Bible verse theme for this year's retreat:

I will praise You as long as I live,
And in Your name I will lift up my hands.
Psalms 63:4

EMPOWERED TO CONNECT

Our spring calendar is full with exciting events, too! April 8 & 9 the Empowered to Connect conference will be streamed live from Brentwood Baptist Church in the greater Nashville area. ASL interpreters are secured and ONLY GOD knows all He will accomplish through this life-changing conference! Charles and I will be in Nashville for this event and I do have some very exciting meetings scheduled outside the conference, as well. It's not too late to attend or to register your church for hosting this simulcast. The information shared will not soon be forgotten and it will change the way those who love children interact with them from now on. Do not miss this great opportunity for learning better how to reach the hearts of children who come from "hard places."

CAFO - 2016

The first week of May Charles and I will be heading to Orlando for the annual Christian Alliance for Orphans Summit. We would love to have you join us!! What a history this conference holds for Signs for Hope! ASL interpreters are all over this conference this year, including their KIDS Summit program, as we have Deaf adopted children attending with their families. As usual, I have no idea what He will convict me of this year, be assured I will be seeking His face at this one! ONLY GOD!

This barely scratches the surface of all our God is doing in and through Signs for Hope, so as always please do not grow weary in praying for us! Your prayer support goes beyond anything else you can give us and we will not comprehend that fully until we all reach heaven! We do pray for God to touch those hearts He desires to come alongside us financially, as well, and He has not once failed in providing abundantly beyond what we can think or imagine! It is such a blessing to do tHis life with each of you!

I am so thankful for those times of meeting with you face-to-face and praying with and for you. Please, if you want to meet with me do not hesitate to let me know. Those face-to-face meetings bolster me with His strength, His encouragement and His ability to persevere!

Let us not become weary in doing good,
for at the proper time we will reap a harvest
if we do not give up.
Galatians 6:9

I do love you, but He loves you so much more!

Becky
